ALU NCC UNIT LAUNCHED IN ALAGAPPA UNIVERSITY

- **November 21, 2019 05:54 am | Updated June 11, 2020 10:40 am IST - Karaikudi**
- A new National Cadet Corps (NCC) Unit with a cadet strength of 104 was formally inaugurated in Alagappa University here on Wednesday. The unit, sanctioned by the Directorate of NCC, Chennai, will function under the 9th Battalion of NCC, Karaikudi.
- Addressing the launching ceremony, **Prof N. Rajendran, Vice-Chancellor**, said all educational institutions should have an NCC unit and an institution without one would be considered incomplete. “NCC units are must for educational institutions as the country needed disciplined youth for its progress,” he said.
- The training imparted in NCC would help create social consciousness among the cadets, he said adding the 34 students who joined the first batch of the NCC unit were lucky to earn a place in the history of the university.
- **Colonel Ajay Joshi, Commanding Officer** of the 9th Battalion of NCC, Karaikudi, stated that the training given to NCC cadets would help inculcate leadership qualities, discipline and camaraderie in them. He said NCC had made its presence as early as in 1956 in Karaikudi with the launch of an unit at Alagappa Arts College and Engineering College.
- Prof. Rajendran accepted the guard of honour given by the 9th Battalion of NCC cadets on the occasion. **H. Gurumallesh Prabu, Registrar, M. Sundar, Principal**, Alagappa University College of Physical Education, and **C.Vairava Sundaram**, in charge of NCC unit of the university, were present

Progress Report of Cultural Club **From 2018 To 2023**

CULTURAL CLUB VISION

1

To empower students by giving them leadership opportunities, encouraging intercultural communication skills, and instilling pride in their cultural heritage.

2

To envisage a university where students from diverse origins may gather to celebrate, study, and participate in significant cultural activities. Our cultural club aspires to be a catalyst for personal development.

3

Our university cultural club's aim is to foster a lively and inclusive campus environment that honours and encourages cultural variety.

CULTURAL CLUB MISSION

Promote Cultural Exchange:

Our cultural club strives diligently to promote the exchange of cultural information, customs, and practises among students. We host events, workshops, and talks to promote connection and debate among students from all cultural backgrounds, developing a sense of unity and respect.

Cultural knowledge and Education

Our goal is to raise knowledge about many cultures, including their histories, traditions, and contributions.

Encourage Diversity

We inspire a sense of pride and belonging by offering a platform for individuals to express their cultural identities, abilities, and creativity, promoting a friendly and inclusive environment for all.

Participate in Social Outreach

We believe that our cultural club act as catalyst for positive change. To address cultural misconceptions, combat prejudices, and promote social harmony with rationalisation, we actively engage in social outreach programmes, community service, and cooperation with other organisations.

Personal Development and Empowerment

The prime objective of our cultural club is to give chances for personal development and empowerment. We motivate our members to grow in their leadership qualities, cross-cultural communication skills, and global perspective. We anticipate that our activities and projects will raise cultural awareness, break down barriers, and inspire people to explore, learn from, and connect with people from other cultures.

- A new National Cadet Corps (NCC) Unit with a cadet strength of 104 was formally inaugurated in Alagappa University here on Wednesday. The unit, sanctioned by the Directorate of NCC, Chennai, will function under the 9th Battalion of NCC, Karaikudi.
- Addressing the launching ceremony, **Prof N. Rajendran, Vice-Chancellor**, said all educational institutions should have an NCC unit and an institution without one would be considered incomplete. “NCC units are must for educational institutions as the country needed disciplined youth for its progress,” he said.
- The training imparted in NCC would help create social consciousness among the cadets, he said adding the 34 students who joined the first batch of the NCC unit were lucky to earn a place in the history of the university.
- **Colonel Ajay Joshi, Commanding Officer** of the 9th Battalion of NCC, Karaikudi, stated that the training given to NCC cadets would help inculcate leadership qualities, discipline and camaraderie in them. He said NCC had made its presence as early as in 1956 in Karaikudi with the launch of an unit at Alagappa Arts College and Engineering College.
- Prof. Rajendran accepted the guard of honour given by the 9th Battalion of NCC cadets on the occasion. **H. Gurumallesh Prabu, Registrar, M. Sundar, Principal**, Alagappa University College of Physical Education, and **C.Vairava Sundaram**, in charge of NCC unit of the university, were present
