5. M. Indhu – I M.Sc., Physics (spl. in Biosensors)
6. S. Selva Priya – I M.Sc., Physics (spl. in Biosensors)
7. A. C. Anithaa – Research Scholar
8. K. P. Divya – Research Scholar

STAFF IN-CHARGE

Dr. V. Dharuman
Assistant Professor

CLUB ACTIVITY

- 1. Pongal celebration:** Thai Pongal (தைப்பொங்கல்)/Tamil harvest festival (ஐந்தாம் பங்கம்) is a traditional festival celebrated by Tamil people all over the world as a Thanks giving to Sun God for Harvest. The members of our club organized this auspicious Tamil cultural festival in a grand manner on 12th January 2017. Dr. M. Selvam, Prof. & Head, Dept. of International Business and Management was invited as a chief guest. All the department members were requested to take part in the celebration in traditional attire. Students themselves conducted various events on the day and prepared the food to all the department members and prayed for the well-being of farmers.
- 2. Industrial Visit:** As a part of the educational journey, the students of I & II M.Sc., were taken to Cochin, Kerala, India. A total of 20 members from the department including PG students, Research Scholars and Staff in-charge traveled by bus to Cochin on the evening of 15th February, 2017. The students visited two industries: 1. The Travancore-Cochin Chemicals Limited., Udyogamandal and 2. The Fertilizers and Chemicals Travancore Limited., Udyogamandal. Purpose of the visit was fulfilled when students clarified their doubts with the experts. Other parts of Cochin were also visited during the leisure time. All the members returned back to Karaikudi in the early morning of 19th February 2017.
