

Department of Animal Health and Management

Alagappa University, Karaikudi

Remedial coaching class

| Faculty Name | Designation | |
|---------------------|---------------------|--------------|
| Dr. B. Vaseeharan | Professor and Head | Co-ordinator |
| Dr.N.M.Prabhu | Assistant Professor | Co-ordinator |
| Dr.P.Srinivasan | Professor | Member |
| Dr. M. Biruntha | Assistant Professor | Member |
| Dr. P. Kumar | Assistant Professor | Member |
| Dr.V.Nithya | Assistant Professor | Member |

The purpose of conducting Remedial Coaching is to help the slow learner students to improve their academic performance. Every year the faculties conduct remedial lectures for the students apart from their regular lectures. In this coaching all the doubts and queries of the students are resolved along with the revision of various difficult topics. The Remedial Coaching was conducted for Academic years 2021-2022 and 2022 - 23 for Semester I, II, and III. These additional lectures are conducted after the regular online lectures schedules for M.Sc Zoology students. Due to prevailing pandemic situation, the remedial coaching was conducted online through Alagappa university online portal platform. The outcome at the end of the academic year was that the performance of the students had improved significantly. Remedial coaching is conducted by our faculty members, while psychological classes take place outside faculty arrangements organized by our department. Slow learners are identified on the basis of their performance in CIA Examinations.

Advanced learners are given due opportunities to upgrade their knowledge level by selecting Self-Learning Courses and earn extra credits. They are oriented towards writing papers and present them in Seminars. They are motivated to undertake online certificate courses in MOOC, NPTEL and SWAYAM. Advanced learners from our department are given special guidance about INSPIRE fellowship. The department of Animal Health and Management organizes guest lecturers of eminent persons, student's seminar, and project to inspire and motivate advanced learners.

Department of Animal Health and Management

Remedial Lecture –2nd November to 30th November 2021

Semester – I

Class – I-M.Sc Zoology Subject – Animal Physiology Total – 5 students

Faculty Name: Dr.M.Biruntha, Assistant Professor

Description: The following students received an additional knowledge for in the Animal Physiology subject. They were explained the basic concepts in animal physiology and all their doubts were cleared. They were given sample questions to solve to get practice on the subject.

Department of Animal Health and Management

Remedial Lecture –1st March to 30th March 2022

Semester – II

Class – I-M.Sc Zoology Subject – Ecology Total – 6 students

Faculty Name: Dr.P.Kumar, Assistant Professor

Description: The remedial classes in ecology for MSc Zoology students have shown promising results in improving their understanding of ecological principles. These classes were designed to address gaps in students' understanding of ecological concepts and enhance their overall performance in ecology-related coursework.

Department of Animal Health and Management

Remedial Lecture –1st October to 30th October 2022

Semester – I and III

Faculty Name: Dr.N.M.Prabhu, Assistant Professor

Class – I and II M.Sc Zoology Subject – Entrepreneurship opportunities for zoology

Resource Person Name: Dr.S.Vijikumar, Director, Tamilnadu Scientific and Research organization, Pudukkottai.

Remedial coaching is conducted by our faculty members, while psychological and opportunity guidance and opportunities classes take place outside faculty arrangements organized by our department.

Department of Animal Health and Management

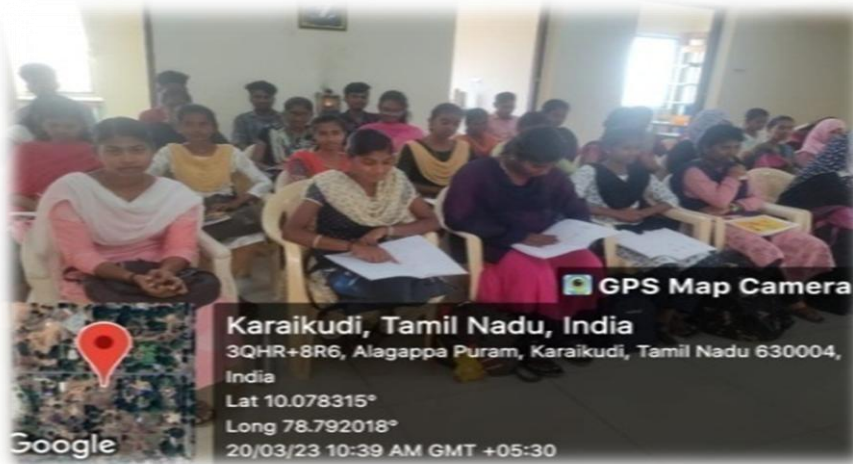

Remedial Lecture –1st March to 30th March 2023

Semester – III

Class – I-M.Sc Zoology Subject – Evolution Total – 8 students

Faculty Name: Dr.P.Srinivasan, Professor

Description: The class served as a valuable resource for students seeking additional assistance in comprehending this fundamental biological concept. Further efforts to offer similar remedial classes and resources could benefit students struggling with complex scientific concepts.

Department of Animal Health and Management

Remedial Lecture –1st October to 30th October 2023

Semester – III

Class – I-M.Sc Zoology Subject – Entomology Total – 7 students

Faculty Name: Dr.M.Biruntha, Assistant Professor

Description: The Entomology Remedial Class successfully met its objectives by improving students' comprehension of fundamental entomological concepts. Further initiatives to provide similar remedial classes and hands-on experiences could be beneficial for students studying complex scientific disciplines like entomology.

Advanced learners Achievement

They are motivated to undertake online certificate courses in MOOC, NPTEL and SWAYAM.

SWAYAM DETAILS- LM.Sc., Zoology (19 Batch)
DEPARTMENT OF ANIMAL HEALTH AND MANAGEMENT, ALAGAPPA UNIVERSITY, KARAIKUDI
