Description

In late July 2018, severe flooding affected Kerala State due to unusual high rainfall during the monsoon season. It was the worst flooding in Kerala in which many people died and within a fortnight more than 2,80,679 people were evacuated and state were placed on high alert. According to Kerala government sources, one-sixth of the total population of Kerala had been directly affected by the floods and related incidents.

To extend support to Kerala people, flood relief items like food, wheat, water, dresses and other essential items were collected from Students and Staff of the Dept. of Computer Science, Alagappa University, Karaikudi and dispatched to Kerala through NSS Unit of Alagappa University on 21-8-2018.
