**Panel Discussion on “Agripreneurship – Time to lead”** A shift from agriculture to agribusiness is an essential pathway to revitalize Indian agriculture and to make more attractive and profitable venture. Agripreneurship has potential to generate growth, diversifying income, providing widespread employment and entrepreneurial opportunities in rural areas.

**Panel Discussion on” Innovation in Entrepreneurship Eco Systems”** The ability to innovate is a vital component of a thriving business, but can be seen as an essential aspect of entrepreneurship itself. Entrepreneurship has more to do with attitude, perseverance and focus. An entrepreneur can be a good innovator but an innovation manager is not necessarily a good entrepreneur.
