Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	Based on the UGC revised guidelines (dated 29th April 2020 and Letter No.F.1-1/2020 dated 4th May, 2020) on Examinations and Academic Calendar for the Universities in view of COVID-19 Pandemic, Management Information System (MIS) team of Alagappa University has developed an Online Portal referred as ALUOP for conduct of classes, examinations, internships and research activities through online mode that has been effective in smooth functioning of University even in this pandemic situation. All the faculty members of the University handling various courses have uploaded their e-course materials for theory and practical's in the Department webpage of ALUO portal. The ALUOP platform has a specific login id with password for every faculty and student that facilitates the faculty to schedule their classes, upload course materials, conduct internal exams, etc. The faculty members have taught the subjects with the help of video conferencing and have completed the topics based on syllabus in scheduled time. Online teaching methods like interactive animations and graphics helped the students develop a keen interest in learning their subject. Students utilized this portal to attend online classes, get course materials, download question papers, upload answer scripts, submit assignments and for taking seminars. Absentees or students, who missed their lectures, watched the online classes uploaded on ALUOP platform. All Heads of the Department have monitored their Department activities through Department login in the ALUOP while the entire online portal was supervised by Vice-Chancellor, Registrar and Deans. Moreover, the developed online Semester External Examination Portal facilitated the students to view the exam time table, download question papers and upload their answer script that has been valuated through online Valuation Portal. Therefore, due to the strenuous efforts of the core team involved in online examinations of Alagappa University, semester exam results were successfully published in the stipulated time period. About thousand webinars have been organized by various departments of the University through lectures of renowned experts from reputed national and international organizations to promote research with technical updating among participants. All the research activities including Departmental Research Committee meeting, Course examinations, Doctoral Committee meetings, Pre-viva and Ph.D presentations were successfully conducted through online mode. We are so glad and satisfied with our efforts and learner's outcomes through the online classes and semester examination in our University.
