## 24. Equivalence of M.Lib.I.Sc to one year B.Lib.I.Sc + one year M.Lib.I.Sc.

Most of the universities and other academic institutions in the country have migrated from one year BLIS and MLIS degrees to 2-Year integrated MLIS degree programme. But the recruitment rules (RR) for librarians in some government organizations like School Libraries, KVS, etc, have not been changed. The minimum qualifications required for these posts in these organizations are one year BLIS or

one year MLIS which is not applicable to 2-year integrated MLIS degree holders. However, the courses taught in first year M.Lib.I.Sc. are equivalent to one year B.Lib.I.Sc degree offered in any recognized university/college/institution in the country. And the courses taught in second year M.Lib.I.Sc. are equivalent to one year M.Lib.I.Sc. Degree offered in any recognized university/college/institution. Therefore, "*the committee recommends considering our M.Lib.I.Sc. degree as an equivalent to* B.Lib.I.Sc*(one year)* + M.Lib.I.Sc. *(one year).*

The candidates who have successfully completed the First and Second Semester examinations of M.Lib.I.Sc. (CBCS) and are unable to continue the second-year studies be awarded the one-year B.Lib.I.Sc. degree.
