REGULATIONS AND SYLLABUS-(CBCS-University Department)

[For the candidates admitted from the Academic Year 2022 – 2023 onwards]

Name of the Department: Department of Theatre and Film Studies

Name of the Subject Discipline: Theatre and Film Studies

Programme Level: Post- Graduate (Master of Arts)

Duration for the Course: Full -Time (Two Academic Years; Four Semesters)

Vision:

Achieving excellence in media education with particular emphasis on Pedagogy, free-hand training, Extension, Administration, Research and autonomy in Learning (PEARL).

Mission:

Affording high quality education in media studies to the learners in order to transform individuals into intellectually competent human resources in the field of mass communication to the uplift of the nation to Educational, Social, Technological, Environmental and Economic Magnificence (ESTEEM).

Choice-Based Credit System

A choice-Based Credit System is a flexible system of learning. This system allows students togain knowledge at their own tempo. Students shall decide on electives from a wide range of elective courses offered by the University Departments in consultation with the Department committee. Students undergo additional courses and acquire more than the required number of credits. They can also adopt an inter-disciplinary and intra-disciplinary approach to learning, and make the best use of the expertise of available faculty.

Programme

"Programme" means a course of study leading to the award of a degree in a discipline.

Courses

'Course' is a component (a paper) of a programme. Each course offered by the Department is identified by a unique course code. A course contains lectures/tutorials/laboratory work/seminar/project work / practical training/report writing /Viva-voce, etc or a combination of these, to meet effectively the teaching and learning needs.

Credits

The term "Credit" refers to the weightage given to a course, usually in relation to the instructional hours assigned to it. Normally in each of the courses credits will be assigned on the basis of the number of lectures/tutorial/laboratory and other forms of learning required to complete the course contents in a 15-week schedule. One credit is equal to one hour of lecture per week. For laboratory/field work one credit is equal to two hours.

Semesters

An Academic year is divided into two Semesters. In each semester, courses are offered in 15 teaching weeks and the remaining 5 weeks are to be utilized for conduct of examination and evaluation purposes. Each week has 30 working hours spread over 5 days a week.

Departmental committee

The Departmental Committee consists of the faculty of the Department. The Departmental Committee shall be responsible for admission to all the programmes offered by the Department including the conduct of entrance tests, verification of records, admission, and evaluation. The Departmental Committee determines the deliberation of courses and specifies the allocation of credits semester-wise and course-wise. For each course, it will also identify the number of credits for lectures, tutorials, practicals, seminars etc. The courses (Core/Discipline Specific Elective/Non-Major Elective) are designed by teachers and approved by the Departmental Committees. Courses approved by the Departmental Committees shall be approved by the Board of Studies/Broad Based Board of Studies. A teacher offering a course will also be responsible for maintaining attendance and performance sheets (CIA -I, CIA-II, assignments and seminar) of all the students registered for the course. The Non-major elective programme, MOOCs coordinator and Internship Mentor are responsible for submitting the performance sheet to the Head of the department. The Head of the Department consolidates all such performance sheets of courses pertaining to the programmes offered by the department. Then forward the same to be Controller of Examinations.

Graduate Attributes

The Department of Theatre and Film Studies strives to equip its Master of Theatre and Film Studies students with the tools necessary for holistic development and contributions to society through its graduate-level academic program. This Graduate Attributes (GA) includes knowledge, competencies, values, and skills that are nurtured in a student's life experience. The mentioned qualities extend beyond the scope of the field of study and have an impact on both national and international levels. These qualities are developed through academic, extracurricular, and co-curricular activities.

GA 1: Cognitive Process

• Graduates who have completed their Master of Arts in Theatre and Film Studies possess a thorough and insightful comprehension of their area of expertise, encompassing both Theatre and Film, along with the capacity for interdisciplinary learning. With the knowledge obtained from the program and self-directed learning, they are able to apply it to various aspects, such as analytical thinking and generating new knowledge through research and media productions. Furthermore, they have the ability to form independent opinions on academic fundamentals and socially significant matters.

GA 2: Professional Ethics

M.A. graduates in Theatre and Film Studies acquire a strong sense of ethical
and professional conduct that they exhibit in their professional endeavors and
roles as responsible citizens. They embrace intellectual honesty and moral
principles in their involvement and foster a sense of inclusiveness through their
interactions with individuals from diverse backgrounds.

GA3: Leadership Qualities

• Individuals who have successfully completed an M.A. program in Theatre and Film Studies acquire leadership attributes, adopt democratic teamwork approaches, and develop creative managerial and entrepreneurial skills through their involvement in curriculum-based, co-curricular, and extra-curricular activities. Moreover, they also gain career readiness and the ability to pursue diverse competitive exams while also generating innovative opportunities.

GA 4: Holistic Skill Development

• Individuals who have completed their Master's degree in Theatre and Film Studies acquire valuable skills such as critical thinking, creative problem-solving, effective communication, emotional intelligence, and social skills. Additionally, they also develop proficiency in digital technology, enabling them to navigate various aspects of life, education, competition, and community engagement.

GA 5: Cultural Diversity

Graduates who have completed their M.A. in Theatre and Film Studies acquire
valuable cross-cultural skills by interacting with varied linguistic, ethnic, and
religious groups, enabling them to comprehend, embrace, and value individuals
on local, national, and global levels. They cultivate a broad worldview through
a modern curriculum, cultural immersion, language studies, and internship
opportunities.

GA 6: Service-Based Focusing

 Individuals who have completed a Master of Arts degree in Theatre and Film Studies possess a heightened awareness and understanding of social issues, along with a strong dedication to promoting social justice through active participation. Their education has also instilled in them a deep sense of environmental consciousness, thanks to the curriculum and the sustainable practices implemented on campus.

From the second semester onwards the total performance within a semester and continuous performance starting from the first semester are indicated respectively by Grade Point Average

(GPA) and Cumulative Grade Point Average (CGPA). These two are calculated by the following formulate

GRADE POINT AVERAGE (GPA) = $\Sigma_i C_i G_i / \Sigma_i C_i$

GPA = Sum of the multiplication of Grade Points by the credits of the courses

Sum of the credits of the courses in a Semester

Classification of the final result

CGPA	Grade	Classification of Final
		Result
9.5 - 10.0	O+	First Class –
9.0 and above but below 9.5	O	Exemplary*
8.5 and above but below 9.0	D++	First Class with

CUMULATIVE GRADE POINT AVERAGE (CGPA) = $\Sigma_n \Sigma_i C_{ni} G_{ni} / \Sigma_n \Sigma_i C_{ni}$

CGPA = <u>Sum of the multiplication of Grade Points by the credits of the entire Programme</u>

Sum of the credits of the courses for the entire Programme

Where 'Ci' is the Credit earned for Course i in any semester; 'Gi' is the Grade Point obtained by the student for Course i and 'n' refers to the semester in which such courses were credited.

CGPA (Cumulative Grade Point Average) = Average Grade Point of all the Courses passed starting from the first semester to the current semester.

Note: * The candidates who have passed in the first appearance and within the prescribed

Semesters of the PG Programme are alone eligible for this classification.

Maximum duration of the completion of the programme

The maximum period for completion of **M.A.**, in **THEATRE AND FILM STUDIES** shall not exceed eight semesters continuing from the first semester.

Conferment of the Master's Degree

A candidate shall be eligible for the conferment of the Degree only after he/ she has earned the minimum required credits for the Programme prescribed therefor (i.e. 90 credits). Programme).

Village Extension Programme

The Sivaganga and Ramnad districts are very backward districts where a majority of people lives in poverty. The rural mass is economically and educationally backward. Thus the aim of the introduction of this Village Extension Programme is to extend out to reach environmental awareness, social activities, hygiene, and health to the rural people of this region. The students in their third semester have to visit any one of the adopted villages within the jurisdiction of Alagappa University and can arrange various programs to educate the rural mass in the following areas for three day based on the theme.1. Environmental awareness 2. Hygiene and Health. A minimum of two faculty members can accompany the students and guide them.
