REGULATIONS AND SYLLABUS - (CBCS-University Department)

[For the candidates admitted from the Academic Year 2022 – 2023 onwards]

Name of the Department: Department of Special Education and Rehabilitation Science

Name of the Subject Discipline: M.Ed. Special Education (Visual Impairment)

Programme of Level: M.Ed. Special Education (Visual Impairment)

Duration for the Course: Full Time (Two Years)

1. Choice-Based Credit System

A choice-Based Credit System is a flexible system of learning. This system allows students to gain knowledge at their own tempo. Students shall decide on electives from a wide range of elective courses offered by the University Departments in consultation with the Department committee. Students undergo additional courses and acquire more than the required number of credits. They can also adopt an inter-disciplinary and intra-disciplinary approach to learning, and make the best use of the expertise of available faculty.

2. Programme

"Programme" means a course of study leading to the award of a degree in a discipline.

3. Courses

'Course' is a component (a paper) of a programme. Each course offered by the Department is identified by a unique course code. A course contains lectures/ tutorials / laboratory / seminar / project / practical training / report writing / Viva-voce, etc or a combination of these, to meet effectively the teaching and learning needs.

4. Credits

The term "Credit" refers to the weight age given to a course, usually in relation to the instructional hours assigned to it. Normally in each of the courses credits will be assigned on the basis of the number of lectures / tutorial / laboratory and other forms of learning required to complete the course contents in a 15-week schedule. One credit is equal to one hour of lecture per week. For laboratory/field work one credit is equal to two hours.

5. Semesters

An Academic year is divided into two Semesters. In each semester, courses are offered in 15 teaching weeks and the remaining 5 weeks are to be utilized for conduct of examination and evaluation purposes. Each week has 30 working hours spread over 5 / 6 days a week.

6. Medium of Instruction

ENGLISH

7. Departmental committee

The Departmental Committee consists of the faculty of the Department. The Departmental Committee shall be responsible for admission to all the programmes offered by the Department including the conduct of entrance tests, verification of records, admission, and evaluation. The Departmental Committee determines the deliberation of courses and specifies the allocation of credits semester-wise and course-wise. For each course, it will also identify the number of credits for lectures, tutorials, practical's, seminars etc. The courses (Core / Discipline Specific Elective / Non-Major Elective) are designed by teachers and approved by the Departmental Committees. Courses approved by the Departmental Committees shall be approved by the Board of Studies / Broad Based Board of Studies. A teacher offering a course will also be responsible for maintaining attendance and performance sheets (CIA -I, CIA-II, assignments and seminar) of all the students registered for the course. The Non-major elective programme, MOOCs coordinator and Internship Mentor are responsible for submitting the performance sheet to the Head of the department. The Head of the Department consolidates all such performance sheets of courses pertaining to the programmes offered by the department. Then forward the same to be Controller of Examinations.

8. Programme Objectives - (PO)

PO-1	Possess in-depth discipline knowledge and intellectual breadth of the	
Knowledge	subject area	
PO-2 Problem solving	Apply problem solving, creative and critical thinking skills to meet educational needs of children with disabilities in various settings	
PO-2 Investigation	Demonstrate core competencies to transform the student teachers as effective teachers through appropriate investigations to ensure quality service	
PO-4 Design	Design innovative curriculum, pedagogy and resources to cater to the needs of the stakeholders	
PO-5 tools	Evince skill in research methodologies, use of appropriate scientific tools to carry out research to enhance education of children with disabilities in all settings.	
PO-6 society	Demonstrate higher order thinking skills to take up creative and innovative research methodologies to create better living conditions for the people with visual impairment	
PO-7 Environmental sustainability	Acquire the ability to engage in independent and life-long learning in the broadest context socio-technological changes to sustain the environmental changes	

PO-8 Ethics	Demonstrate empathetic social concern, and the ability to act with an informed awareness of issues to uphold ethical practices	
PO-9 Team work	Recognize different value systems, ethics and professional commitment of the concerned discipline and collaborate with other professionals and work in teams	
PO-10 Lifelong learning	Be aspirant to take up new learning; well prepared for living, learning and working in a digital society	

9. Programme Specific Objectives - (PSO)

PSO-1	To develop knowledge and skill to promote human resource development in the field of special education	
PSO-2	To promote teaching competencies to the disability specialization and cross	
	disability among students to promote them to be a better teacher educator	
PSO-3	Assist potential teacher educators to exert leadership in advocating and meeting	
	educational needs of children with disabilities in various settings	
PSO-4	Offer special teacher educators the opportunity to develop specialized capacity for	
	leadership in curriculum, pedagogy and universal design	
PSO-5	To promote higher order thinking skills to take up creative and innovative research	
	methodologies	

10. Programme Outcomes - (PO)

PO-1	Possess in-depth discipline knowledge and intellectual breadth of the		
Knowledge	subject area		
PO-2 Problem solving	Apply problem solving, creative and critical thinking skills to meet educational needs of children with disabilities in various settings

	educational needs of children with disabilities in various settings		
PLO-4	Offers special teacher educators the opportunity to develop specialized capacity		
	for leadership in curriculum, pedagogy and universal design		
PLO-5	Promotes higher order thinking skills to take up creative and innovative research		
	methodologies		

12. Eligibility for Admission

B.Ed. Special Education (Visual Impairment)

13. Minimum Duration of programme

The programme is for a period of two years. Each year shall consist of two semesters' viz. Odd and Even semesters. Odd semesters shall be from June / July to October / November and even semesters shall be from November / December to April / May. Each semester there shall be 90 working days consisting of 6 teaching hours per working day (5 days/week).

14. Components

A PG programme consists of a number of courses. The term "course" is applied to indicate a logical part of the subject matter of the programme and is invariably equivalent to the subject matter of a "paper" in the conventional sense. The following are the various categories of the courses suggested for the PG programmes:

A. Core courses (CC) –

"Core Papers" means "the core courses" related to the programme concerned including practical's and project work offered under the programme and shall cover core competency, critical thinking, analytical reasoning, and research skill.

B. Discipline-Specific Electives (DSE) means the courses offered under the programme related to the major but are to be selected by the students, shall cover additional academic knowledge, critical thinking, and analytical reasoning.

C. Non-Major Electives (NME) - Exposure beyond the discipline

- > Students have to undergo a total of two Non Major Elective courses with 2 credits offered by other departments (one in II Semester another in III Semester).
- ➤ A uniform time frame of 3 hours on a common day (Tuesday) shall be allocated for the Non-Major Electives.
- Non Major Elective courses offered by the departments pertaining to a semester should be announced before the end of previous semester.
- Registration process: Students have to register for the Non-Major Elective course within 15 days from the commencement of the semester either in the department or NME Portal (University website).

D. Self Learning Courses from MOOCs platforms.

- ➤ MOOCs shall be on voluntary for the students.
- > Students have to undergo a total of 2 Self Learning Courses (MOOCs) one in II semester and another in III semester.
- ➤ The actual credits earned through MOOCs shall be transferred to the credit plan of programmes as extra credits. Otherwise 2 credits / course are given if the Self Learning Course MOOCs is without credit.
- ➤ While selecting the MOOCs, preference shall be given to the course related to employability skills.

E. Projects / Dissertation /Internships

The duration of the Project/Dissertation/internship shall be a minimum of three months in the fourth semester.

Plan of work

Project/Dissertation

The candidate shall undergo Project/Dissertation Work during the final semester. The candidate should prepare a scheme of work for the dissertation/project and should get approval from the guide. The candidate, after completing the dissertation /project work, shall be allowed to submit it to the university departments at the end of the final semester. If the candidate is desirous of availing the facility from other departments/universities/laboratories/organizations they will be permitted only after getting approval from the guide and HOD. In such a case, the candidate shall acknowledge the same in their dissertation/project work.

Internship

The students who have opted for an Internship must undergo training in the reputed Colleges to accrue knowledge in the final semester. The student has to find Colleges related to their discipline

(Public limited/Private Limited/owner/NGOs etc.,) in consultation with the faculty in charge/Mentor and get approval from the head of the department and Departmental Committee before going for an internship.

→ No. of copies of the dissertation / project report / internship report

The candidate should prepare three copies of the dissertation/project/report and submit the same for the evaluation of examiners. After evaluation, one copy will be retained in the department library, one copy will be retained by the guide and the student shall hold one copy.

14. Teaching methods

Lecture Methods, Demonstration, Activity based Teaching Learning methods, Technology infused Teaching methods will be followed

15. Attendance

Students must have earned 75% of attendance in each course for appearing for the examination. Students who have earned 74% to 70% of attendance need to apply for condonation in the prescribed form with the prescribed fee. Students who have earned 69% to 60% of attendance need to apply for condonation in the prescribed form with the prescribed fee along with the Medical Certificate. Students who have below 60% of attendance are not eligible to appear for the End Semester Examination (ESE). They shall re- do the semester(s) after completion of the programme.

16. Examination

The examinations shall be conducted separately for theory and practical's to assess (remembering, understanding, applying, analysing, evaluating, and creating) the knowledge required during the study. There shall be two systems of examinations viz., internal and external examinations. The internal examinations shall be conducted as Continuous Internal Assessment tests I and II (CIA Test I & II).

A. Internal Assessment

The internal assessment shall comprise a maximum of 25 marks for each subject. The following procedure shall be followed for awarding internal marks.

Theory -25 marks

Sr.No	Content	Marks
1.	Average marks of two CIA test	15
2.	Seminar / group discussion / quiz	4
3.	Assignment /field trip report / case study report	4

Practical (assess by Guide/incharge/HOD/supervisor)

1	Disability Specialization E1	25 Marks
2	Cross Disability Specialization E2	25 Marks
3	Nai Talim – Experiential Learning – Poster Presentation/ Field Practice	100 Marks

Internship (assess by Guide/incharge/HOD/supervisor)

1	Teaching	25 Marks
	Total	25 Marks

Dissertation / Project report / Internship report Scheme of evaluation

Dissertation / Project report / Internship report	200 Marks
Vivo voce	
Research Proposal	100 Marks
Research Reporting & Presentation	25 Marks

External Examination

- There shall be examinations at the end of each semester, for odd semesters in the month of October / November; for even semesters in April / May.
- A candidate who does not pass the examination in any course(s) may be permitted to appear in such failed course(s) in the subsequent examinations to be held in October / November or April / May. However candidates who have arrears in Practical shall be permitted to take their arrear Practical examination only along with Regular Practical examination in the respective semester.
- A candidate should get registered for the first semester examination. If registration is not possible owing to shortage of attendance beyond condonation limit / regulation prescribed OR belated joining OR on medical grounds, the candidates are permitted to move to the next semester. Such candidates shall re-do the missed semester after completion of the programme.
- Viva-Voce: Each candidate shall be required to appear for Viva-Voce Examination (in defense of the Dissertation Work /Project/ internship).

A. Scheme of External Examination (Question Paper Pattern)

Theory - Maximum 75 Marks

Section A	10 questions. All questions carry equal marks. (Objective type questions)	10 x 1 = 10 Marks	10 questions – 2 each from every unit
Section B	5 questions Either / or type like 1.a (or) b. All questions carry equal marks	5 x 5 = 25	5 questions – 1 each from every unit
Section C	5 questions Either / or type like 1.a (or) b. All questions carry equal marks	5 x8 = 40	5 question –Should cover all units

Practical – Maximum 75 Marks

Section A	Teaching	50 Marks
Section B	Teaching Learning Materials	10 Marks
Section C	Record Note	5 Marks
Section D	Vivo voce	10 Marks
Total		75 Marks

i. Internship (assess by Guide/incharge/HOD/supervisor)

1	1	Гeaching	75 Marks
	П	Гotal	75 Marks

ii. Dissertation / Project report / Internship report Scheme of evaluation

Dissertation / Project report / Internship report	150 Marks
Vivo voce	50 Marks
Total	200 Marks
Research Reporting & Presentation	75 arks

iii. Results

The results of all the examinations will be published through the Department where the student underwent the course as well as through University Website

iv. Passing minimum

- A candidate shall be declared to have passed in each course if he/she secures not less than 40% marks in the End Semester Examinations and 40% marks in the Internal Assessment and not less than 50% in the aggregate, taking Continuous assessment and End Semester Examinations marks together.
- The candidates not obtained 50% in the Internal Assessment are permitted to improve their Internal Assessment marks in the subsequent semesters (2 chances will be given) by writing the CIA tests and by submitting assignments.
- Candidates, who have secured the pass marks in the End-Semester Examination and in the CIA but failed to secure the aggregate minimum pass mark (E.S.E + C I.A), are permitted to improve their Internal Assessment mark in the following semester and/or in University examinations.
- A candidate shall be declared to have passed in the Project / Dissertation / Internshipif he /she gets not less than 40% in each of the Project / Dissertation / Internship Report and Viva-Voce and not less than 50% in the aggregate of both the marks for Project Report and Viva-Voce.
- A candidate who gets less than 50% in the Project / Dissertation / Internship Report must resubmit the thesis. Such candidates need to take again the Viva-Voce on the resubmitted Project report.

15. Grading of the Courses

The following table gives the marks, Grade points, Letter Grades and classifications meant to indicate the overall academic performance of the candidate.

Conversion of Marks to Grade Points and Letter Grade (Performance in Paper / Course)

RANGE OF MARKS	GRADE POINTS	LETTER GRADE	DESCRIPTION
90 - 100	9.0 – 10.0	O	Outstanding
80 - 89	8.0 – 8.9	D+	Excellent
75 - 79	7.5 – 7.9	D	Distinction
70 - 74	7.0 – 7.4	A +	Very Good
60 - 69	6.0 - 6.9	A	Good
50 - 59	5.0 – 5.9	В	Average
00 - 49	0.0	U	Re-appear
ABSENT	0.0	AAA	ABSENT

- a) Successful candidates passing the examinations and earning GPA between 9.0 and 10.0 and marks from 90 100 shall be declared to have Outstanding (O).
- b) Successful candidates passing the examinations and earning GPA between 8.0 and 8.9 and marks from 80 89 shall be declared to have Excellent (D+).
- c) Successful candidates passing the examinations and earning GPA between 7.5 7.9 and marks from 75 79 shall be declared to have Distinction (D).
- d) Successful candidates passing the examinations and earning GPA between 7.0 7.4 and marks from 70 74 shall be declared to have Very Good (A+).
- e) Successful candidates passing the examinations and earning GPA between 6.0 6.9 and marks from 60 69 shall be declared to have Good (A).
- f) Successful candidates passing the examinations and earning GPA between 5.0 5.9 and marks from 50 59 shall be declared to have Average (B).
- g) Candidates earning GPA between 0.0 and marks from 00 49 shall be declared to have Re-appear (U).
- h) Absence from an examination shall not be taken as an attempt.

From the second semester onwards the total performance within a semester and continuous performance starting from the first semester are indicated respectively by Grade Point Average (GPA) and Cumulative Grade Point Average (CGPA). These two are calculated by the following formulate

GRADE POINT AVERAGE (GPA) = $\Sigma_i C_i G_i / \Sigma_i C_i$

GPA = Sum of the multiplication of Grade Points by the credits of the courses

Sum of the credits of the courses in a Semester

16. Classification of the final result

CGPA	Grade	Classification of Final Result
9.5 – 10.0	O+	First Class – Exemplary*
9.0 and above but below 9.5	O	
8.5 and above but below 9.0	D++	First Class with Distinction*
8.0 and above but below 8.5	D+	
7.5 and above but below 8.0	D	
7.0 and above but below 7.5	A++	First Class
6.5 and above but below 7.0	A +	
6.0 and above but below 6.5	A	
5.5 and above but below 6.0	B+	Second Class
5.0 and above but below 5.5	В	
0.0 and above but below 5.0	U	Re-appear

The final result of the candidate shall be based only on the CGPA earned by the candidate.

- a) Successful candidates passing the examinations and earning CGPA between 9.5 and 10.0 shall be given Letter Grade (O+), those who earned CGPA between 9.0 and 9.4 shall be given Letter Grade (O) and declared to have First Class –Exemplary*.
- b) Successful candidates passing the examinations and earning CGPA between 7.5 and 7.9 shall be given Letter Grade (D), those who earned CGPA between 8.0 and 8.4 shall be given Letter Grade (D+), those who earned CGPA between 8.5 and 8.9 shall be given Letter Grade (D++) and declared to have First Class with Distinction*.
- c) Successful candidates passing the examinations and earning CGPA between 6.0 and 6.4 shall be given Letter Grade (A), those who earned CGPA between 6.5 and 6.9 shall be given Letter Grade (A+), and those who earned CGPA between 7.0 and 7.4 shall be given Letter Grade (A++) and declared to have First Class
- d) Successful candidates passing the examinations and earning CGPA between 5.0 and 5.4 shall be given Letter Grade (B), those who earned CGPA between 5.5 and 5.9 shall be given Letter Grade (B+) and declared to have passed in Second Class.
- i) Candidates those who earned CGPA between 0.0 and 4.9 shall be given Letter Grade (U) and declared to have Re-appear.
- e) Absence from an examination shall not be taken as an attempt.

CUMULATIVE GRADE POINT AVERAGE (CGPA) = $\Sigma_n \Sigma_i C_{ni} G_{ni} / \Sigma_n \Sigma_i C_{ni}$

CGPA = Sum of the multiplication of Grade Points by the credits of the entire Programme

Sum of the credits of the courses for the entire Programme

Where 'Ci' is the Credit earned for Course i in any semester; 'Gi' is the Grade Point obtained by the student for Course i and 'n' refers to the semester in which such courses were credited.

CGPA (Cumulative Grade Point Average) = Average Grade Point of all the Courses passed starting from the first semester to the current semester.

Note: * The candidates who have passed in the first appearance and within the prescribed Semesters of the PG Programme are alone eligible for this classification.

17. Maximum duration of the completion of the programme

The maximum period for completion of the programme shall not exceed eight semesters continuing from the first semester.

18. Conferment of the Master's Degree

A candidate shall be eligible for the conferment of the Degree only after he/ she has earned the minimum required credits for the Programme prescribed there for (i.e. 90 credits). Programme).

19. Village Extension Programme

The Sivaganga and Ramnad districts are very backward districts where a majority of people Lives in poverty. The rural mass is economically and educationally backward. Thus the aim of the introduction of this Village Extension Programme is to extend out to reach environmental awareness, social activities, hygiene, and health to the rural people of this region. The students in their third semester have to visit any one of the adopted villages within the jurisdiction of Alagappa University and can arrange various programs to educate the rural mass in the following areas for three day based on the theme, (1) Environmental awareness; (2) Hygiene and Health. A minimum of two faculty members can accompany the students and guide them.

		Semester- I							
Core	Course Code: 743101	Development in Education and Education	Special	Т	Credits: 4	Hours: 4			
		Unit- I							
Objective 1 Over view the development of Education system									
India, Shaping Global Context	An Overview of Development of Education System – Shaping of Education in Pre-Independence India, Shaping of Education in Post-Independence India, Emerging Education in India and in the Global Context, Perspectives of Education for the Persons with Disabilities, Constitutional Provisions and Directive Principles - Related to Education and Special Education.								
Outcome1	Understand t	he development of Education system	18			K2			
01: 4: 2		Unit- II		· · ·	4.				
Objective 2		of general and special education syst				·1 ·1·			
Issues in Indian Education with Special Reference to Persons with Disabilities –Accessibility to School, Curriculum & Learning Resources and Attitudinal Barriers-Analysis of the Status of Elementary & Secondary Education for All. (SSA, RMSA,) and Issues for Bridging Gaps, Ensuring Equity Principles across Disabilities, Gender, Caste, Socially Disadvantaged Groups, Marginalized and their Specific Educational Problems-Challenges of Special Education, Inclusion, Systemic Reforms, Provisions and Support System, Public Private Partnership & NGO Initiatives, Support Systems to Meet Diverse Learning Needs- Family, Community, School, Peer, Administrative and Resource Support									
Outcome2		elopment of general and special ed	ucation sy	stem	(PwDs) in	K1			
		Unit- III							
Objective 3 Appreciate implications of recommendations made by the various Committees and									
Policies and Legislations for Education & Special Education Development of Special Education in India - National Legislations (RCI Act 1992, PWD Act 1995, National Trust Act, Biwako Millennium Framework), International Legislations for Special Education and International Organisations (UNESCAP, UNCRPD, WHO, UNICEF, NESCO, UNDP, Action Aid, CBM), National Policies (POA 1992, SSA, RMSA and RUSA) & Government Schemes and Provisions for Persons with Disabilities, Role of Governmental and non-governmental agencies in general and special education, Current issues Identifications, Labelling, cultural and linguistic diversity &									
advocacy. Outcome3	Acquired in	implications of recommendations	made h	v th	e various				
	_	and Commissions for educationa s in India.		•		K4			
01: 4: 4	I = .	Unit- IV							
Objective 4	Understand	ight into the issues and challenge mportant quality related issues whi elopment of new education policy.	-		-	•			
Quality Issues in Education – Indicators of quality related to teaching - learning strategies, classroom environment, and Student Assessment, Linking pedagogy with curriculum, contextual constructivism, Ensuring standards in Open & Distance Learning system - Non-formal education, face-to-face vs. Distance mode, Special and Inclusive education – Adopting flexible strategies for the acquisition and use of inputs and monitoring performance in inclusive set up, Quality enhancement in service delivery and community rehabilitation.									
Outcome 4	Developed if system.	sight into the issues and challenges	ot present	day ed	aucation	K6			
System. Unit- V Objective 5 Understood the important quality related issues which need to be taken into account									

Current Trends and Future Perspective - Education as a development indicator, and enhancer of development indicators - Education for sustainable development & Right based approach, International curriculum framework in the light of changing priorities and international perspectives-Education for conservation of environment and social change-Education for individual and national development.

Outcome 5

Understood the important quality related issues which need to be taken into account for revision/ development of new education policy.

K2

		Semester- I						
Core	Course Code: 743104	Identification and Assessment of Needs of Children with Visual Impairment	T	Credits:4	Hours:4			
	710101	Unit-I						
Objective 1	Trace the 1	nistorical development of visual impairment	and d	iscuss the	attitudinal			
		ociety over time.						
		nition of Visual Impairment: History of visual i						
		ociety towards the persons with visual impairs						
		d social to right based approach - Factors a						
		ctives with reference to persons with visua						
		ry organizations, Judiciary and quasi-judicia						
		visual Impairment: WHO, International Class	sificat	ion of Func	ctioning –			
		and domestic legislations		1 1'	I			
Outcome 1		the historical development of visual impairn	nent a	and discuss	K2			
	the attitudir	al change of society over time. Unit-II						
Objective 2	Describe th	e causes and implications of different types of	ava di	cordors				
· ·					cal visual			
impairment –	Eye Disorders: Etiology and Implications: Neurological causes of visual impairment: cortical visual impairment – Disorder related to refraction – (myopia, hyperopia, presbyopia, astigmatism) –							
Disorders rela	Disorders related to receptive aspects of the eye – (retinal detachment, retinitis pigmentosa,							
		ptic atrophy, aninidia, and macular degeneration						
		agmus, strabismus, amblyopia)-Vitamin A defi	cienc	y, cataract, g	glaucoma,			
•		colour blindness						
Outcome 2	Knowledge	about the causes and implications of different of	eye dı	sorders	K1			
Objective 2	Cuiti a allay as	Unit-III		l:d	1			
Objective 3	vision	xamine the assessment procedures of children v						
		ent Procedures of Children with Blindness and						
		dren with blindness- (Functional Skills Invent	•		_			
	• •	ed and Pre-school, A short Scale IQ measure		•	-			
		EPQ, Adapted Blind Learning Aptitude Test			-			
		eference Test, Cornell Medical Index on Visua	•		/ -			
		ith low vision and psychosocial implications						
		on of methods and tools for functional vision						
		sment by Jill Keeffe, Lea Tests), Concept and n			efficiency			
Outcome 3		ther made tools for functional assessment of vis						
Outcome 3		camine the assessment procedures of children v	viiii o	illiulless	K5			
	and low vis							
Objective 4	T 1 41	Unit-IV	1.11 1		1			
U	children wi				·			
		nent Procedures of Children with Visual	-					
Disabilities: Concept of VIMD – Role of multidisciplinary team of professionals in assessment of								
children with VIMD – Functional assessment methods and tools for VIMD-(physical, vision, hearing,								
tactual, and communication skills assessment)- Implications of vision loss in adapting available tools								
of assessment for persons with Visual impairment –Preparation of teacher made tools for functional								

assessment of VIMD.

Outcome 4	Learned the skills to identify and assess children with blindness, low	K1				
	vision, and children with VIMD.	N1				
	Unit-V					
Objective 5 Develop skills to plan and implement vision efficiency training for children with low						
vision and vocational development. Understand the CBR and Community support						
Needs of Persons with Visual Impairment: Infancy and early childhood – (early stimulation and early						
intervention) –	School age - (placement alternatives, collaboration of special and regular	teacher)-				
Transition Peri	od – (self-identity, self-esteem, and self-image), (Vocational Development –	emerging				
job opportunit	ies) -Adulthood issues - (sexuality and marriage, recreation and leisure;	geriatric				
groups: disinte	grating family system, social security, CBR and community support).					
Outcome 5	Develop skills to plan and implement vision efficiency training for					
	children with low vision and vocational development. Understand the CBR	K2				
	and Community support

		Semester- II				
Core	Course Code: 743202	Adulthood and Family Issues of Chi with Visual Impairment	ildren	Т	Credits:4	Hours:4
	T	Unit-I				
Objective 1		g the role of family as a support system				
a special chil childhood, - F	d -Organization	nuum of Support System: Adjustment a on and family functioning, - Family in ment in school age, - Family involvemen	nvolvem	nent isitio	in infancy a	and early
Outcome 1	Analyze the	ole of family as a support system from	birth to	adult	hood.	K4
Objective 2	Diama dha i	Unit-II	1-			
		ssues in Transition from education to we		a1 ta	2011222 7	
	n to work- M	n from home to school- Transition fro caning and Definition of Individualized				
Outcome2	Discuss the i	ssues in Transition from education to wo	ork.			K6
		Unit-III				
Objective 3		ne Family Issues in Adulthood				
		: Higher Education - Career Education			Education -	Marriage
		- Rehabilitation of adventitious visually	/ impaire	ed		
Outcome 3	Understand t	ne Family Issues in Adulthood				K5
	1	Unit-IV				
Objective 4		skills to prepare an IFSP and Plannin				
of family sup	port services-	Services: Concept and objectives of fam Identifying family needs - Individual an IFSP in Indian context.				
Outcome4		skills to prepare an IFSP and Pla	nning F	amil	y Support	K6
		Unit-V				
Objective 5	•	cal understanding of schemes for equal				
school to hig development	her and tertia - Schemes and	as: Schemes and Facilities: Schemes for education - Schemes and facilities statutory provisions to promote employers persons with visual impairment- Con	for voc loyment	ation - S	al training elf-employr	and skill nent, and
Outcome5	Develop a cr	tical understanding of schemes for equa	al opport	tuniti	es.	K 6

		Semester- II			
Core	Course Code: 743203	Application of Advanced Technology to Persons with Visual Impairment	Т	Credits:4	Hours:4
	710200	Unit-I			
Objective 1	Explain the r	relevance of technology for persons with visua	l impa	airment.	
Introduction to	Technology	for the Visually Impaired: Historical perspec	tive o	of assistive te	chnology
technology wi	th specific re cology for fac ernetics and s	sons with visual impairment, Concept, need ference to the Indian context, Types of Assicilitating empowerment of persons with visusystems, with special reference to persons visusystems.	stive ual in	Technologies mpairment, I visual impair	s, Special Iardware,
Outcome1	Understand t	he relevance of technology for persons with vi	isual i	mpairment.	K2
		Unit-II			
Objective 2	education of	rious technological devices traditional and persons with visual impairment. ditional and Modern for the Education of the			
screen readers Note takers an Alone reading scanning softw DAISY player Kit, measuring hardwares and Drop Countere Talking Lab Q mechanical an	and computer d Smart Brail g machines, (ovare and Text extra s), Technology g tapes—streng d softwares for (hardware), Souest and Talk and electrical, printers, Brail	rebased screen magnifiers and screen readers for the probability and screen readers for the probability and screen readers for phones and screen (TTS), screen readers for phones and for Mathematics and Science Education – (Aths and limitations; softwares for accessing Mathematics (software), Talking Interferential The ing Logger) – Braille Production Technologie Braille translation software with special reference labeling systems, tactile diagrams and graphious technological devices traditional and man of persons with visual impairment. Unit-III	or Include Bornel System of table Back Aback athem tic State arrapy of Serence whice properties of the system of t	dian language raille Displayms, Indian language, Indian language, Taylor Fratics and Sciar Station (he Machine(hetero typing Neto Indian language)	es, Braille ys, Stand anguages hone and ame, Geo ence text ardware) ardware) Machines anguages
Objective 3		rious Technologies for Facilitating Independe	ent Li	ving for Per	sons with
Devices (canes sonic devices, Talking Blood Medcenter Pil Recreational I Scrabble, adap	s – rigid, colla vibrating te d Glucose M l Organizer S Devices – (Che	ing Independent Living for Persons with Visupsible, folding and Smart Canes; Global Positichnologies), Fitness and Health – (Thermoteter, Talking Blood Pressure Device – Resystem, Talking Pedometer, weighing machiness Board, playing cards, adapted Ludo and Stalking Chess, audio Cricket Ball and audional Stalking Chess.	ioning meter emind ne- B nakes io Fo	g Systems (G – tactile and ler devices: Braille and T and Ladders	PS), ultrand audio, Talking alking) – , adapted
vibratory Liqu	Down, Goluid Level Inc., Talking Mi	eball, adapted Volley Ball),Home managen licator, Talking Measuring Cup, Talking Fo crowave Oven, Talking Timer, Braille and	ood T	Devices – (Thermometer	audibl e , Talking

Unit-IV						
Objective 4	Critically analyse Employment-related Technologies for the Visually Impaired					
Employment-1	related Technologies for the Visually Impaired: Braille Shorthand Ma	chine –				
Dictaphone, D	Dictaphone, Dictation Software, Application of screen reading technologies – Promoting/ diversifying					
employment of	employment opportunities – Making workplaces and available workshop equipment – Accessible					
machines for persons with visual impairment—Guidelines and Principles						
Outcome4	Critically analyse Employment-related Technologies for the Visually	17.4				
	Impaired	K4				
Unit-V						
Objective 5	Objective 5 Discuss various Procurement and Assessment of Technological Devices for Persons					
	with Visual Impairment.					
Procurement a	and Assessment of Technological Devices for Persons with Visual Impairment:	Sources				

Procurement and Assessment of Technological Devices for Persons with Visual Impairment: Sources of availability and maintenance of technology devices- Resource mobilization for procurement of devices, ADIP scheme of the Government – India, Department of Empowerment of Persons with Disabilities – Parameters for assessing efficacy/ suitability of devices in the Indian context, Recent trends in research on technology for visually impaired:

Outcome5 Discuss various Procurement and Assessment of Technological Devices for Persons with Visual Impairment.

K5

Semester- II								
Core	Course Code: 743205	Field Engagement/Internship as a Teacher Trainer	P	Credits:4	Hours:8			

One Month Internship

• Internship 15 days in B.ED special education(VI).

During this period the students will teach two lectures on core papers, 4 lectures in specialization papers and 2 lectures each in 2 pedagogy papers. (50 Marks each)

- Plan and demonstrate cooperative teaching strategy 7 lessons in inclusive School. -- (50 Marks each)
- Submit a comprehensive report on challenges faced during internship and strategies followed to address them.

		II –Semester			
Core	Course Code : 743206	Nai Talim – Experiential Learning	P	Credits:2	Hours 2
		Unit-I			l
Objective 1	To Understand the	e concept of Nai Talim and its evolution	from	Gandhian mov	ement
Nai Talim as A Gl	obally Accepted Co	ncept - Education for life - Revolt agai	nst the	'bookish' edu	cation in
the west - What G	andhiji rebelled aga	inst? - What Gandhiji proposed?-Role	of MG	NCRE in the	NaiTalim
movement					
	-	7 Dealing with Nai Talim Education	al Poli	cies During 19	47 -2017
Dealing with Nai T					
Outcome 1		ncept of Nai Talim and its evolution	on froi	n Gandhian	K2
	Movement

	Unit IV
Objective 4	Learn the process of Nai Talim Style of fast learning and make learning mathematics experiential learning.;
1	f Fast Learning of English: Introduction- Recommendation of NCF 2005 on Englisheasy' –a NaiTalim approach for fast learning of English
Experiential Learn	ing Can Make Mathematics Teaching Easy: Introduction: why today's children cannot

Experiential Learning Can Make Mathematics Teaching Easy: Introduction: why today's children cannot add or multiply?- Identification of learning difficulties - How a failsafe learning method could be attempted through the E-learning method

Outcome 4	Learn the process of Nai Talim Style of fast learning and make learning mathematics experiential learning.;					
Unit-V						
Objective 5	Objective 5 Understand the Nai talim style of value education and promote regionally relevant curriculum and able to link with a national reconstruction framework.					

Nai-Talim Style Of Value Education: Introduction - Experiential learning approach to value-education - Precautions needed while choosing curriculum content for value education

Regionally Relevant Curriculum Through A 3-Window Approach Involving Ncert, Scert And Diet: Three windows - Illustration: Madhya Pradesh - Example showing the roles of the 3-windows: Languages & social sciences - Linking with a national reconstruction framework

Outcome 5	Understand the Nai talim style of value education and promote	
	regionally relevant curriculum and able to link with a national	K6
	reconstruction framework.

		Semester- III			
	Course	Schester-111			
Core	Code:	Educational Technology	\mathbf{T}	Credits:2	Hours:2
	743305				
		Unit-I		1	
Objective 1	Discuss roles	of Educational Technologists in various conte	exts.		
		oncept, Definition and Scope of Educational T			
		s in India - Growth of conceptual framework			
		tems Approach; Meaning, Scope and Comp			
		nponents - Models of communication: Simp	ole, Os	sgood and S	Schramm,
Gerbner's mo				. ~	
		ent Category System and Flander's Interaction			
Outcome1	Understand t	he roles of Educational Technologists in vario	us con	texts.	K2
		Unit-II			<u> </u>
Objective 2	Apply appro	oriate instructional Technology strategies.			
Instructional	Гесhnology : С	oncept and Definition of Instructional Techno	logy -	Theories an	d Models
of ISD: Dick	& Carrey, Gag	ne, Kirk and Guftason, Steps in developing Ins	struction	onal design -	-(Learner
analysis, Con	tent analysis,	Deciding entry and terminal behaviour, Pro-	eparing	g test - Sel	ection of
method, Selec	ction of media,	Development of material, Tryout, Formative	and su	mmative eva	aluation -
		ional designs for Large Group and Individual	Instru	ctions - Co-	operative
and Individua		tegies for children with disabilities			
Outcome	Learned appr	opriate instructional Technology strategies.			K1
2		YV 1. YYY			13.1
Obi - 4: 2	- I	Unit-III			
Objective 3		ropriate Instructional and Interactive Learning		1 1	
		ve Learning: Interactive learning: concep			
		dren with Special needs, Interactive learning			
		Interactive learning Material, Integrating IC			
		ellaborative tools and techniques such as Blogg	ging, r	C1 tools for	research,
bibliography, Outcome3					
Outcomes	Develop app	ropriate Instructional and Interactive Learning			K4
		Unit-IV			
Objective 4	Integrate sui	able ICT For Inclusion			
ICT For Inclu	sion: ICT for 2	21st century learning, Dilemmas and Realities	about	applications	in ICT in
inclusive edu	cation, Poten	ials of ICT in inclusive education - ICT-A	ccess,	equity, part	icipation,
	ment and life-	long learning, ICT for teaching-learning -	Role o	of ICT in co	ırriculum
transaction					
Outcome4	Integrate sui	able ICT For Inclusion.			K6
					ΙΛU
		Unit-V			
Objective 5	Acquired th	e knowledge the Online Learning - Blende	d Lea	rning, M-L	earning -
	MOOC				
Recent Trend	s in Technolo	gy: Online Learning - Blended Learning, M	-Learr	ing -MOOC	C – OER.
	ning, Artificial			0 - 3 -	
Outcome5		e knowledge the Online Learning - Blende	ed Les	arning. M-	K1
, ,	Learning -M				
	Learning -W

	SEMESTER IV							
Core	Course Code: 743402	Field Engagement/Internship as a Teacher Educators	P	Credits:4	Hours:8			

Field engagement

- Prepare community participatory programme (workshops for awareness programmes for public using multimedia/charts/street plays etc.) -- (50 Marks)
- conduct seminar on ICT -- (25 Marks)
- Guide and observe B.Ed. trainees in their practice lessons (at least 5 lessons) (25 Marks @ 5) OR

Work out a critical study of the teachers' training institute on quality management, resources, time table, etc. – (25 Marks)

• Prepare a Report

		SEMESTER IV			
Core	Course Code: 743403	DISSERTATION	P	Credits:12	Hours:12

Dissertation will be compulsory for all regular students. The students will work under the guidance of a supervisor to be allotted by the HOD/Principal of the Department/ College.

Students are expected to complete the Dissertation work in four phases in four semesters.

Phase 1: Synopsis Submission In the first semester the students have to develop the Research proposal (Synopsis) and present the same in the Faculty Seminar at the end of the first semester.

Phase 2: Review of Literature and Development of Tools During the Second Semester the student has to conduct review of literature and develop relevant tools for their research projects. Students have to present a seminar on collected review of literature and tools developed in the faculty seminar and seek feedback and incorporate suggestions given by the faculty.

Phase 3: Data collection In phase three, students must complete data collection and data analysis.

Phase 4: Data analysis, Results Discussion and Thesis Submission In phase four students must complete Data analysis, Results and Discussion and report writing and submit the final report at the end of fourth semester.

The students have to submit three typed copies of Dissertation to the Department/ College by the end of IV Semester.

The viva-voce will be held on a date to be fixed by the University. Dissertation and viva-voce will be evaluated jointly by external and internal examiners.
