**CULTURAL CLUB**

In 2016-2017, ALUTES emerged as the overall winner of Alagappa University, showcasing excellence and innovation in its field. The achievement underscores the dedication and hard work of the M.Sc zoology student's team involved, as they surpassed competitors. ALUTES' cultural events victory serves as a testament to their commitment to excellence.

In the following year the Department of Animal Health and Management students, 2017-2018, ALUTES maintained its impressive performance by securing a third prize, showcasing their consistent dedication to excellence in their field.
